

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program staff is required to administer medication following the instructions on the JFS 01217 "Request for Administrator of Medication for Child Care" form or attached prescription label.

Finding: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in number 4 below:

1. Medication had been administered to a child at the center at a different time than directed.
2. Medication was administered to a child for a longer or shorter period of time than directed.
3. The dose administered did not match the dosage required by the manufacturer's directions.
4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
5. A child was administered the wrong medication provided to the program for that child.
6. Other: [].

Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/13/2024

Low Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number 5 below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing:

- a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
- b. Results of a TB test for employees meeting both criteria in 6a.
- c. Results of additional testing for employees with a positive TB test.
- d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/13/2024

Domain: 08 Staff Files

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in numbers 2 and 3 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/13/2024

Domain: 08 Staff Files

Rule: 5101:2-12-08 Orientation Training & Whistle Blower Protection

Code: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

Finding: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training as noted in number 1 below:

1. The training was not completed within 30 days of starting employment at the program as a child care staff member.
2. Documentation of completing the training after December 31, 2016 was not on file.
3. Completion of the training was not verified in the OPR.
4. A child care staff member had sole responsibility of children and had not completed the online orientation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
