

Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at <https://childcaresearch.ohio.gov/>. This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Complaint Allegations

The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 01 Ratio & Supervision

Rule: 5180:2-13-19 Child Guidance

Code:

Allegation: A Child Care staff member used a prohibited technique when managing unacceptable behavior with a child resulting in an injury.

Determination: Unable to be determined

Findings: Based upon the investigation, the alleged rule violation was unable to be determined due to provider and staff member denying allegations, no witnesses of allegations, being unable to determine if the photos submitted were caused by an injury inflicted by the staff member, and lacking information/evidence proving that the injury occurred at the provider's program. PCSA was also unable to conduct an investigation due to lack of information.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.
