

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member for 7 children was determined to have occurred for the Toddler 1 group which included an older infant when the situation in number 15 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other: an infant was assigned to the toddler group and the program did not follow the ratio for the youngest child in the group.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Handwashing Requirements

Code: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as listed in number 9 below, as required in rule.

1. At least one staff/child did not wash their hands upon arrival for the day.
2. At least one staff/child did not wash their hands prior to departure.

3. At least one staff did not wash their hands upon entry into a classroom.
4. At least one staff/child did not wash their hands after toileting or assisting a child with toileting.
5. At least one staff/child did not wash their hands after each diaper change or pull-up change.
6. At least one staff did not wash their hands after contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.
7. At least one child did not wash their hands after contact with bodily fluids.
8. At least one child did not wash their hands after returning inside after outdoor play.
9. At least one staff did not wash their hands after cleaning or sanitizing or using any chemical products.
10. At least one staff/child did not wash their hands after handling pets, pet cages or other pet objects that have come in contact with the pet.
11. At least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child.
12. At least one child did not wash their hands before eating or assisting with food preparation.
13. At least one staff did not wash their hands before and after completing a medical procedure or administering medication.
14. At least one child did not wash their hands after water activities.
15. At least one staff/child did not wash their hands when visibly soiled (must use soap and water).
16. Other [].

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Play Fall Zones

Code: The program is required to provide fall zones around equipment to prevent injury if a child were to fall.

Finding: During the inspection, it was determined the fall zone under and around equipment designated for climbing, swinging, balancing and sliding did not meet the requirements as noted in number 2 below:

1. The fall surface material had not been properly distributed or raked as needed to retain proper depth under and around equipment.
2. A fall zone hazard was present, in that, the concrete by the posts on toddler playground climber/slide was exposed at all 4 posts and posed a risk of injury if a child were to fall from a piece of equipment.
3. The fall zone was less than 3 feet from the fence for equipment used by children 23 months of age and younger.
4. The fall zone was less than 6 feet from the fence for equipment used by children 24 months of age and older.

5. There was not a fall zone of 3 feet in all directions from the perimeter of the equipment used by children 23 months of age and younger.
6. There was not a fall zone of 6 feet in all directions from the perimeter of the equipment used by children 24 months of age and older.
7. The fall zone was less than 4 1/2 feet from each piece of applicable equipment used by children 23 months of age and younger.
8. The fall zone was less than 9 feet from each piece of applicable equipment used by children 24 months of age and older.
9. Other [].

The program is required to provide adequate fall zones under and around outdoor play equipment at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
