

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to ensure supplemental food is on-site at the center.

Allegation: The program did not supplement a snack for a child when required.

Determination: Substantiated

Findings: The allegation was denied. However, during the inspection, it was determined that the program did not have supplemental food from a minimum of 2 food groups on-site to ensure no child goes more than four hours (except when sleeping) without at least a snack or a meal that meets the requirements of this rule. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Risk Level: Moderate
