Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). The request for review must be submitted within seven business days from the receipt of the licensing report. Rule: 5101:2-13-14 Requirements for Field and Routine Trips

Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Findings: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as Jill's routine trip form was missing the trip destination and mode of travel.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.
