Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-07 Written Program Policies and Procedures

<u>Code</u>: The program's policies and procedures are required to include all topics outlined in rule.

<u>Finding</u>: During the inspection, it was determined the program's written policies and procedures provided to the parents/guardians and employees was missing item number(s) 15, 17, 19, 20, 29, 30, 31 below:

General Information

- 1. Program name, address, email address and telephone number.
- 2. Description of the program's program philosophy.
- 3. Days and hours of operation, scheduled closings and basic daily schedule.
- 4. Staff/child ratios and group size.
- 5. Opportunities for parent involvement in program activities.
- 6. Opportunities for parents to meet with teachers regarding their child.
- 7. Payment schedule, overtime charges and registration fees as applicable.
- 8. Supports for onsite breastfeeding or pumping for mothers who wish to do so (if the program serves infants or toddlers).

Program Policies and Procedures

- 9. Enrollment including required enrollment information.
- 10. Care of children without immunizations.
- 11. Attendance including procedures for arrival and departure, the program's absent day policy, releasing child to persons other than the parent, releasing a child according to a custody agreement and follow up when a child scheduled to arrive from another program or activity does not arrive.

- 12. Supervision of children, including a separate supervision policy for school-age children, if applicable.
- 13. Child guidance.
- 14. Suspension and expulsion.
- 15. Compliance with the Americans with Disabilities Act (ADA), including administering medication to children with disabilities and administering care procedures to children with disabilities.

Food and dietary policy, including, information regarding meeting one-third of the child's recommended daily dietary allowance, policy regarding formula, breast milk, meals and snacks, and a policy on providing supplemental food. (The program indicates in the handbook that the parent must bring a lunch but the program is also required to have supplemental food on-site which can feed the child at least 2 food groups.)
- 18. Management of illness including isolation precautions, symptoms for discharge and return and notification of parent of ill child.
- 19. Summary of procedures taken in the event of an emergency, serious illness or injury. (The handbook indicates on page 16 that an incident report can be provided the next day but this contradicts rule in that the incident must be provided on the day of the incident.)
- 20. Administration of medication and topical products including medical foods, modified diets and whether school age children are permitted to carry their own medication and ointments. (Medication policy needs updated to align with rule in that medication information must be completed on the Medical/Physical Care Plan if the child has a condition and an Administration of Medication form is not required in this situation. Update policy for topical products; only parent permission is needed. Add policy regarding "medical foods" which are foods prescribed by a physician and require a Medical/Physical Care Plan.)

- 27. Situations that may require disenrollment of a child, if applicable.
- 28. Problem or issue resolution for parents or employees to follow when needing assistance in resolving problems related to the child care program.

- 30. Update page 5 terminology: Title XX is an outdated term; update to Publicly Funded Child Care.
- 31. Update page 14 terminology: medication violations are not a "serious" risk violation; they are a "moderate" risk violation.

Revise the program's written policies and procedures to include the missing information. Submit the program's corrective action plan, which includes the revised written policies and procedures, to the Department to verify compliance with the requirements of this rule.
