

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, required staff/child ratios were not maintained for the same group on multiple occasions, as noted below:

The ratio determined for the mixed age group with infants was 2 Child Care Staff Member(s) for 13 children. Additionally, a ratio of 1 Child Care Staff Member(s) for 13 children was determined for the mixed age group with infants (teacher left group to answer the door).

Additional staff members must be hired or current Child Care Staff Members must be rescheduled to maintain compliance. Provide staff training. Submit the program’s corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/20/2022

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Equipment

Code: The program is required to refrain from using space heaters unless it has been approved by a fire official.

Finding: During the inspection, it was determined that a space heater which had not been approved by a fire official was in use in the area identified in number(s) 2 below:

1. The administrator's office.
2. A classroom (staff reported space heaters are being used prior to children arriving (was not on or running during the inspection) but is being used in the space without approval and was observed to be plugged in in the classroom during the inspection).
3. The break room.
4. Several classrooms.
5. The hallway.
6. The entry way.
7. Other [].

The use of this space heater must be discontinued until approval for its use has been obtained. Submit the program's corrective action plan, which includes written fire approval for use of this space heater or a written statement that the space heater is no longer being used at the program, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/20/2022

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size

Code: The program is required to maintain the appropriate group size for each group of children served.

Finding: During the inspection, group size limitations were not maintained for the group of infant to schoolage as it was determined there were 13 children grouped together (including infants). The group size shall not exceed

twice the maximum number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/20/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size

Code: The program may combine all age groups when there are twelve or fewer children in the center.

Finding: During the inspection, it was determined groups which included children less than two and one half years were combined with groups of children two and one half years and older and there were more than 12 children in the center. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 3, 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
