

# **Center Complaint Inspection Summary Report**

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <a href="http://jfs.ohio.gov/CDC/childcare.stm">http://jfs.ohio.gov/CDC/childcare.stm</a>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### **Complaint Allegations**

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

### Domain:00 License & Approvals

Rule: 5180:2-12-03 Inspection Requirements

Code: The program administrator and owner are required to provide true and accurate information.

Allegation: Complainant alleges that the program provided false information.

Determination: Substantiated

Findings: During the inspection, it was determined that the program provided false information. The documentation provided during the inspection for employee health training was inaccurate, as verified by the

trainer, as the training was not completed for one or more child care staff members. The rule requires the program to provide accurate and truthful information to the Department. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

#### Domain:08 Staff Files

Rule: 5180:2-12-10 Health Training Requirements

Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Allegation: Complainant alleges that not all staff have completed required health trainings.

Determination: Substantiated

Findings: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in numbers 4, 5 & 6 below:

- 1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
- 2. First aid training was not completed within ninety days of hire.
- 3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
- 4. The child abuse and neglect recognition and prevention training was expired.
- 5. The first aid training was expired.
- 6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
