

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Separation of Children Under 2 1/2 Years

Code: The program is required to separate children younger and older than 2 1/2 years of age.

Finding: During the inspection, it was determined a group that included at least one child less than the age of two and one half years of age was not kept separate from groups of older children as noted in number 1 below:

- 1) The toddler group, which included children less than two and one half years of age, were cared for in a space where a group of older children were receiving care.
- 2) A barrier was not used to separate the space being used by the group of children less than two and one half years of age from space being used for groups of children two and one half years and older.
- 3) The barrier separating the groups was not at least 36 inches in height.
- 4) The barrier separating the groups was not continuous.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

The toddler group was combined with the preschool group in the preschool room.
