

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

*If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

**Domain: 00 License & Approvals**

Rule: 5101:2-12-04 Building Approval

Code: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number 8 below:

1. The [ ] room or space was not approved.
2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [ ] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. [ ] children were being cared for and the building had been approved for [ ] children.
6. The [ ] room(s) occupancy had been exceeded. [ ] children were being cared for in this space that had been approved for [ ] children.

7. Care was provided to [ ] children less than two and one-half years of age. This violated the program's building code limitation in that, [ ].

8. Care was provided to child(ren) less than 18 months of age on the lower level. This violated the program's building code limitation in that the lower level is approved by the local building department for care of children 18 months and over.

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

**Domain: 01 Ratio & Supervision**

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member for 6 children was determined to have occurred for the mixed group including an infant, when the situation in number 7 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

### Low Risk Non-Compliances

#### Domain: 00 License & Approvals

Rule: 5101:2-12-02 Current Information

Code: The rule requires the program to keep their information current in OCLQS.

Finding: During the inspection, it was determined the information in number 4 below was not up to date in the Ohio Child Licensing and Quality System (OCLQS):

- 1) Mailing Address
- 2) Telephone Number
- 3) Email Address
- 4) Days and Hours of Operation
- 5) Services Offered
- 6) Name of Program

Technical assistance was provided, and as discussed, log on to OCLQS and update the information, as required.

#### Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/29/2021

**Domain: 02 Safe & Sanitary Environment**

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to have all surge protectors and outlets covered.

Finding: During the inspection, it was determined that three surge protectors/outlets did not have childproof receptacle covers. The program must have safety covers on all electrical outlets, including power strips and surge protectors, which are within the reach of the children. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 04 Indoor/Outdoor Space**

Rule: 5101:2-12-11 Outdoor Play Fall Zones

Code: The program is required to provide adequate fall surface for the outdoor play space.

Finding: During the inspection, it was determined that while there was adequate fall surface material in the outdoor play space, proper distribution had not been maintained under and around equipment as required. Submit the program's corrective action plan, which includes a statement that fall surface material has been properly redistributed, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/29/2021

**Domain: 04 Indoor/Outdoor Space**

Rule: 5101:2-12-11 Outdoor Space Requirements

Code: The program is required to have an outdoor play space free from general hazards.

Finding: During the inspection, it was determined that the following hazardous conditions existed in the outdoor play area, as noted in number 10 below:

1. There was broken glass.
2. There were tall weeds.
3. There was poison ivy.
4. There were tree branches.
5. There was mold visible.
6. There were thistles with pricklers.
7. There were bird droppings.
8. There were bolts with more than two threads exposed along a fence line or gate on a playground.
9. The sandbox was contaminated.
10. Other: disassembled plastic outdoor play equipment and a partially detached swing.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 05 Health & Safety**

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to refrain from using televisions, computers, and other screens during meals and snacks.

Finding: During the inspection it was determined that a television was on during a meal. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 05 Health & Safety**

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to provide a meal that includes all food groups.

Finding: During the inspection it was determined that the meal served at the program did not include the following item from each food group, as noted in number 3 below:

1. Meat or meat alternative.
2. Fruit and/or vegetable.
3. Bread and grains.

4. Fluid milk.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 05 Health & Safety**

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to have the current menu posted with dates.

Finding: During the inspection, it was determined that the program's weekly menu was not currently dated as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 08 Staff Files**

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records were not entered or updated within five calendar days of the change in the Ohio Professional Registry (OPR) as noted in number 3 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created an employment record in the OPR for the program.
2. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard in the OPR.
3. At least one individual's schedule was not current.
4. At least one individual's position or role was not current.
5. At least one individual's employment had not been end dated.
6. Other: [ ]

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
