

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Play Fall Zones

Code: The program is required to provide adequate fall surface for the outdoor play space.

Finding: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in number(s) 2 below:

1. No fall surface
2. Adequate fall surface to soften the impact of a fall
3. Adequate fall surface to soften the impact of a fall that extended the length of the required fall zone
4. Other []

With any equipment designed for climbing, swinging, bouncing, or sliding, resilient material, as specified in Appendix A, needs to be added in order to protect children in the event of a fall. Submit the program’s corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-02 License Posted

Code: The rule requires the license to be visible to parents at all times.

Finding: During the inspection, it was determined the program's license was not in a location visible to parents as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 00 License & Approvals

Rule: 5101:2-12-02 Current Information

Code: The rule requires the program to request an administrator amendment, and submit qualifications for a new administrator, within thirty days of the change.

Finding: During the inspection, it was determined that a change of administrator had been made and the owner or administrator had failed to provide notification of this change to the Department and/or submit qualifications for the new administrator within 30 days. A license is only valid for the licensee, administrator, address and license capacity designated on the license. Technical assistance was provided, and as discussed, submit the request to amend the license and any required documentation, if applicable, through the licensing system, OCLQS.

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Food Service Requirements

Code: The program is required to obtain written permission from the food service license holder if operating under the food service license of another entity at the same location.

Finding: During the inspection, it was determined the program was operating under a food service license held by another entity at the same location and did not have written documentation granting permission from that entity. Submit the program's corrective action plan, which includes a copy of the written documentation granting permission, to the Department to verify compliance with the requirements of this rule.
