

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff are not permitted to leave children unattended.

Finding: During the inspection, it was determined that children were not supervised while outside the program as noted in number 6 below:

1. Child(ren) left unattended outside the facility building.
2. Child(ren) left unattended outside the facility building more than once.
3. Child(ren) left unattended off the program's premises.
4. Child(ren) left unattended during a swimming activity.
5. Child(ren) left unattended in a vehicle.
6. Child(ren) left unattended inside the building and no adults were present in the building.
7. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/12/2023

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 0 child care staff member(s) for 3 children was determined to have occurred for the School Age group when the situation in number 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/07/2023

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Handwashing Requirements

Code: The program is required to have all children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that at least one child in the School group did not wash his or her hands at the time listed in number 1 below, as required in rule.

1. Upon arrival.
2. Prior to departure.
3. After toileting/diaper change.
4. After contact with bodily fluids.
5. After returning from outdoor play.
6. After handling pets, pet cages, or other pet objects that have come in contact with the pet, before moving on to another activity.
7. Before eating or assisting with food preparation.
8. After water activities.
9. When visibly soiled (must use soap and water)
10. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/07/2023

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan
Code: The program is required to post and implement the JFS 01242 "Medical, Dental, and General Emergency Plan" when necessary.

Finding: During the inspection, it was determined the requirements for the JFS 01242 "Medical, Dental, and General Emergency Plan for Child Care" were not followed as noted in number 8 below:

1. The plan was not posted in each classroom.
2. The plan was not posted in other spaces used by children.
3. The name, address and telephone number of the program were not complete.
4. The location of first aid kit, fire extinguishers and fire alarm system, fire alarm pull stations and electrical circuit box were not complete.
5. The telephone number for emergency squad, fire department, hospital, poison control program, public children services agency, local health department, local emergency management agency, and police department were not complete.
6. Location of children's records was not complete.
7. Emergency information including any medications or supplies needed in the event of an evacuation was not complete.
8. The current version of the prescribed form was not used.
9. The plan was not implemented when necessary in that [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Materials and Equipment
Code: The program is required to have an area for children to store their belongings.

Finding: During the inspection, it was determined that the program did not have designated storage areas for children's personal belongings. The rule requires that an area be designated where children can individually store their personal belongings. This area shall not block walkways or evacuation routes. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Materials and Equipment

Code: The program is required to have play materials accessible and orderly.

Finding: During the inspection, it was determined that play materials were not accessible/orderly for the following reason(s) as noted in number 1 below:

1. Play materials were not readily accessible to the children in the School age classrooms;
2. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the [] classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan

Code: The program is required to have the JFS 01201 "Dental First Aid" posted in a readily available area at the program.

Finding: During the inspection it was determined that the current version of the JFS 01201 "Dental First Aid" was not posted in a location readily available to center staff and parents as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 7 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.
8. Other: []
