### Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

#### Serious Risk Non-Compliances

**Domain: 00 License & Approvals**

Rule: 5101:2-13-03 Inspection Requirements

Code: The provider is required to refrain from falsifying information.

Findings: During the inspection, it was determined that the provider provided false information, in that the provider stated the announced inspection could not be completed due to closure of the program. Submit the program's corrective action plan to verify compliance with the requirements of this rule.
