## **Complaint Allegations**

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 05 Health & Safety

Rule: 5101:2-13-16 Incident/Injury

Code: The program is required to report serious incidents to the department.

Allegation: No incident report was received when shots were fired outside the front of the home.

**Determination**: Substantiated

Findings: During the inspection, it was determined that a Serious Incident was not reported in the Ohio Child Licensing and Quality System (OCLQS), as required, by the provider for an incident as listed in numbers 2 & 4 below:

- 1. An incident, injury or illness that required professional medical consultation or treatment.
- 2. An unusual or unexpected incident which jeopardizes the safety of a child, resident, child care staff member or employee of the program.
- 3. An incident defined as a serious risk non-compliance in appendix A to rule 5101:2-12-03 of the Administrative Code.
- 4. The program did not submit the report in OCLQS by the next business day as required by rule.

Submit the program's corrective action plan, which includes a statement that the program administrator or designee has completed the Serious Incident Report in OCLQS, to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

Corrective Action Plan Due: 01/13/2024
