Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-02 Current Information

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: telephone number; email address; services offered

Submit the program's corrective action plan to the Department to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 12/17/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: An area rug in Room 101 was buckled, providing a tripping hazard.

Submit the program's corrective action plan, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/17/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from trash and foreign objects.

Finding: During the inspection, it was determined that the outdoor play space was not free of conditions that pose a risk of harm to children.

The following was observed:

- The trash can was not emptied from the day before.

- Concrete was chipped off of a corner of a half wall, exposing sharp edges.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/17/2026

Domain: **05 Health & Safety**

Rule: 5180:2-12-22 Meal Preparation and Nutritional Requirements

Requirement: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack served at the program did not meet the requirements.

The following was observed: The meal offered did not include an item from the fruit group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/17/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that a bottle for a particular infant was not labeled with the date of preparation. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/17/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have education documentation translated and shown as equivalent to a high school education.

Finding: In review of the staff records, it was determined that the child care staff member listed on the Employee Record Chart had educational information on file that could not be verified as recognized by the state board of education or the appropriate agency of another state or country as equivalent to the completion of a high school education. The rule requires a child care staff member to provide evidence of the completion of a high school education. Submit the program's corrective action plan, which includes a copy of the educational information and/or equivalency report, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/17/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing:

- Medical or dental emergencies, including emergency transportation.

- Weather emergencies for each situation, including severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms, or earthquakes. For example, during flash flooding and earthquakes it is not recommended that the program evacuate the building.

- Emergency due to gas leaks, the program most likely would evacuate the building. Provide additional detail for acts of violence due to an active shooter.

- Outbreaks, epidemics, or other infectious disease emergencies; the program would contact the local health department for guidance.

- Loss of power, water, or heat, what would the program do for each individual situation; ex. contact different utility companies to determine how long services would be unavailable and if closure would be necessary.

- Emergency numbers for medical, dental, and transport-related emergencies in addition to 9-1-1.

- Shelter-in-place procedures including how the program will care for and account for children until they can be reunited with a parent.

- Procedures for communicating with parents during loss of communications when no phone or internet service is available (internet and cell service is not available)

- The location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place, who is responsible and where are items located. Does the program have an emergency shelter in place bag?

- Procedures for what to do if a disaster occurs during the transport of children or when on a field trip or routine trip, outlining what the program would do if there was a weather emergency while transporting children or there were a vehicle accident.

- A plan to make the EPRP available to all child care staff members and employees

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/17/2026
