

## Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

#### Domain:05 Health & Safety

Rule: 5101:2-12-16 Management of Communicable Disease

Code: The program is required to release any staff who are exhibiting symptoms of an illness.

Allegation: The complainant alleged that a staff member was exhibiting symptoms of a communicable disease and was not released to go home.

Determination: Substantiated

Findings: During the inspection, it was determined that an employee who was exhibiting signs and symptoms of communicable disease was not released to go home as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Risk Level: Low

Corrective Action Plan Due: 11/03/2022

### Summary of Additional Non-Compliances

#### Serious Risk Non-Compliances

No Additional Serious Risk Non-Compliances were observed during this inspection

Empty box for listing serious risk non-compliances.

#### Moderate Risk Non-Compliances

##### Domain:09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to store medication out of the reach of children.

Findings: During the inspection, it was determined that a medication, an inhaler, was within the reach of children in the toddler room. All medications must be stored out of the reach of children. Create procedures that assure medications will

always be inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/03/2022

### Low Risk Non-Compliances

#### Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Findings: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in numbers 4 and 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
