

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances
No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Food License

<u>Code</u>: The program is required to obtain and maintain a valid food license if they prepare and/or serve food. The program is required to correct any food service violations to maintain their food service license.

<u>Finding</u>: During the inspection, it was determined that the program failed to obtain or maintain a valid food service license as noted in number 3 below:

- 1. The program was unable to obtain the food service license due to violations.
- 2. The program was unable to maintain the food service license due to violations.
- 3. The program prepared and/or served food without obtaining a valid food service license. The local health department must be contacted so the health official may determine whether the program meets exemption status, or whether the program needs a food service license.

Submit the program's corrective action plan, which includes a copy of the food service license or exemption status, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-04 Fire Approval

<u>Code</u>: The program is required to only use space approved by the fire department or the state fire marshal's office to serve children. The program is required to obtain a fire inspection within 12 months from the date of the last fire approval. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

<u>Finding</u>: During the inspection, it was determined the program had not obtained written approval from the local fire safety inspector or the state fire marshal as noted in number 1 below:

- 1. The program had not been inspected and approved within 12 months from the date of the last fire approval and the request for the new inspection was not made at least 30 days prior to the expiration of the previous approval.
- 2. The fire approval had not been obtained due to violations.
- 3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire approval, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

<u>Code</u>: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

<u>Finding</u>: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 4 below:

- 1. There was no method in place;
- 2. The method did not include each child's name;
- 3. The method did not include each child's date of birth;
- 4. The tracking method did not remain with the group at all times;

5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
