

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

#### Low Risk Non-Compliances

**Domain: 01 Ratio & Supervision**

**Rule:** 5101:2-12-18 Attendance Records

**Code:** The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

**Finding:** During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group in that checkmarks were used rather than times when children arrived.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
