Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined that at least one area of the program or at least one piece of equipment had chipping or peeling paint (green wall in Dramatic Play area in Preschool 4). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/02/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Equipment

Requirement: The program is required to provide equipment that does not pose a safety risk and must follow the manufacturer's guidelines for assembling, installing and using the equipment.

Finding: During the inspection, it was determined that outdoor play equipment was unsafe or not used as intended.

The following was observed: outdoor equipment was not free of conditions that pose a risk of harm to children in that there was splintered wood with sharp edges (on rail of the garage closest to the street).

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/02/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Finding: In review of 25% of the children's records, it was determined that complete child immunization records were not on file, as required, for children listed on the DCY Children's Record Review for Child Care.

The following was observed:

-immunization record(s) were not updated no more than every thirteen months;

-immunization record(s) did not contain the child's name and/or birth date or the date the immunizations were received by the program.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/02/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 "Child Enrollment Form for Early Care and Education Programs" or equivalent form as required.

The following was observed as missing:

-complete emergency contact information (a parent was the only emergency contact);

-enrollment form for at least one child was not updated by either the parent or the administrator.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/02/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-20 Cots and Napping - Practices

Requirement: The program is required to provide a quiet activity for children who do not fall asleep after an appropriate length of time.

Findings: During the inspection, it was determined the program did not provide quiet activities for a child not sleeping as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-08 Staff TB Screening Requirements

Requirement: The program is required to have every employee provide evidence of tuberculois (TB) screening prior to the first day of employment.

Findings: During the inspection, it was determined verification of TB screening was not on file as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-12-25 2026 Medication Storage

Requirement: The program is required to remove all medication, medical foods and topical products that are no longer being administered or have expired. The program is also required to maintain current documentation to administer medications, medical foods and topical products.

Findings: During the inspection, it was determined the program did not ensure medications or products were removed when they were no longer needed, expired, or had an expired prescription date, as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Findings: During the inspection, it was determined the program's policies and procedures handbook does not contain all items as required per Appendix B to Rule 5180:2-12-07:

-Center Name, Address, Phone number, email address;

-ADA policy needs to reflect information specific to administering medications or medical procedures.

Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
