

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to store medication out of the reach of children.

<u>Finding</u>: During the inspection, it was determined that a medication, albuterol inhaler, was within the reach of children in the pre-K room. All medications must be stored out of the reach of children. Create procedures that assure medications will always be inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-10 Health Training Requirements

<u>Code</u>: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

<u>Finding</u>: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number(s) 4 below:

- 1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
- 2. First aid training was not completed within ninety days of hire.

- 3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
- 4. The child abuse and neglect recognition and prevention training was expired.
- 5. The first aid training was expired.
- 6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
