

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have documentation from ODJFS, indicating the individual is eligible to be employed in child care, on file before allowing the staff to have sole responsibility of children.

Finding: During the inspection, it was determined that child care staff member(s) had sole responsibility of children in the Preschool group(s) and neither a preliminary approval nor the JFS 01176 "Program Notification of Background Check Review for Child Care" were on file as required. Submit the program's corrective action plan,

which includes a copy of the JFS 01176 or a statement that the child care staff member(s) no longer have sole responsibility of children, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 1 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing;

- a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
- b. Results of a TB test for employees meeting both criteria in 6a.
- c. Results of additional testing for employees with a positive TB test.
- d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
