

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 15 children was determined to have occurred for the preschool group when the situation in number(s) 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.

12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/05/2024

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed. (children not signed in for several days)
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/05/2024

Domain: 05 Health & Safety

Rule: 5101:2-12-16 Emergency Drills

Code: The program is required to complete fire drills, weather drills, and emergency/lockdown drills appropriately.

Finding: During the inspection, it was determined that the required drills were not completed for item number(s) 3 below:

1. Monthly fire drills.
2. Monthly weather emergency drills (March through September).
3. Emergency/lockdown drills in each quarter of the calendar year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/05/2024

Domain: 08 Staff Files

Rule: 5101:2-12-10 Professional Development Requirements

Code: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Finding: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement as noted in number(s) 1 below:

1. The child care staff member(s) had not completed at least six hours of professional development.
2. Documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule.
3. Training topic did not meet the requirements listed in appendix A of this rule.
4. Documentation of training did not meet the requirements of this rule.
5. The substitute(s) had been used more than ninety days annually between July first and June thirtieth and had not completed at least six hours of professional development
6. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/05/2024

Domain: 09 Children's Files

Rule: 5101:2-12-15 Child Medical and Enrollment Records

Code: The program is required to have a completed medical on file at the program for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that completed medical statements were not on file, as required, for children listed on the JFS Children's Record Review For Child Care as indicated in number(s) 1 & 8 below:

1. No medical was on file for at least one child
2. Medical(s) on file was not updated every 13 months
3. Medical(s) were missing child's name and date of birth
4. Medical(s) were missing the date of the medical examination
5. The date of the exam was more than 13 months prior to the date the form was signed.
6. Medical(s) were missing a statement that the child has been examined and is in suitable condition for participation in group care
7. Medical(s) were missing the signature, business address and telephone number of the physician, physician's assistant (PA), advance practice nurse (APN) or certified nurse practitioner (CNP) who examined the child
8. Medical(s) were missing a record of immunizations the child has had specifying month, day and year
9. Medical(s) were missing a statement from the physician, PA, APN, or CNP that the child has been immunized or is in the process of being immunized against the diseases required by division 5104.014 of the Revised Code and found in appendix A to this rule
10. Medical(s) were missing a statement from the child's parent or guardian that he or she has declined to have the child immunized against the disease for reasons of conscience, including religious convictions
11. Other []

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
