

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to have a second employee present, and used based on the qualifications they meet, when seven or more children are present.

Finding: During the inspection, it was determined that the program did not meet the rule requirement as noted in number 1 below:

1. The program did not have a second employee or Child Care Staff Member present when required;
2. The program was using a second Child Care Staff Member who was not able to meet this criteria as defined in the rule.

It was determined that there was one staff member in the program with eight children from 12:30 p.m. to 1:30 p.m. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/13/2022

Rule: 5101:2-12-03 Inspection Requirements	Compliant	Documenting Statement: During the inspection, it was discussed that the department is to be granted access for compliance inspections, verification visits, amendments, and complaint investigations during all operating hours. Upon arrival, at 1:10 p.m. two doorbells located by the entrance door, were rung several times, telephone calls were made to the program and assistance to contact the program was requested from the owner of the building. At 1:30 p.m. the administrator provided access to the program. It was stated that the door bell could not be heard due to the children napping in a room with the door closed. The program also had a video doorbell that enables staff to view who is at the entrance, however, it was stated that the battery to the doorbell needed to be replaced. Prior to leaving the program, a

		parent was observed ringing the bell and a child care staff member pulled a cellphone from their pocket, announced the parent picking up (without any view of the door, only view from video doorbell cell phone application). It was discussed having children nap in a room where the doorbell could be heard.
