

Approved Child Day Camp Inspection Full Report

Approved child day camp programs are inspected at least once each year. Non-compliances are documented in the inspection report and may include documenting statements and supplemental information. Inspection reports can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Non-Compliances

Non-Compliances

Domain: 23 Medication

Rule: 5101:2-18-11 Medication and special health needs

Code: Approved day camps must appropriately store and administer medications.

Findings: "During the inspection it was determined that requirements for the administration of medications were not met in the number(s) [2]below:

1. A prescription medication was not stored in the original container with a label that includes the child's full name, a current dispensing date within the previous twelve months, and exact dosage and directions for use.
2. A medication or topical product was administered for a period of time beyond the date indicated by the physician, physician's assistant, advanced practice nurse certified to prescribe medication, or licensed dentist, on the prescription label, for twelve months from the date on the form, or after the expiration date on the medication, whichever comes first.
3. A non-prescription medication was not stored in the original container with a manufacturer's label containing directions based on the age and/or weight of the child.
4. A nonprescription medication dosage exceeded the prescribed dosage or the manufacturer's recommended dosage.
5. Written permission to administer the medication was not obtained from the parent.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule."
