

# **Center Complaint Inspection Summary Report**

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <a href="http://jfs.ohio.gov/CDC/childcare.stm">http://jfs.ohio.gov/CDC/childcare.stm</a>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

## **Complaint Allegations**

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

#### Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Allegation: The program does not maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

**Determination:** Substantiated

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2 below:

- 1. No attendance record was being maintained.
- 2. The attendance record was not being consistently completed.
- 3. The record did not include the name of at least one child.
- 4. The record did not include the birth date of at least one child.
- 5. The record did not include the assigned group.
- 6. The record did not include the child's weekly schedule.
- 7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
- 8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

## **Low Risk Non-Compliances**

## **Domain:01 Ratio & Supervision**

Rule: 5101:2-12-18 Group Size

Code: The program is required to maintain the appropriate group size for each group of children served.

Findings: During the inspection, group size limitations were not maintained for the group of preschool as it was determined there were 30 children grouped together. The group size shall not exceed twice the maximum number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

## Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size

Code: The program must ensure 35 square feet per child is maintained when combining multiple groups of children in a shared undivided space.

Findings: During the inspection, it was determined multiple groups of children over two and one half years were combined in a shared, undivided space and the group exceeded the 35 square feet per child limitation specific to the space. There were 30 children in attendance at one time and the program's usable floor space allowed for 22 children in this space. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.
