## Non-Compliances

### Domain: 24 Policies and Procedures

Rule: 5101:2-18-10 Emergency, disaster, and health-related plans

Code: Child day camps must have an emergency and disaster plan.

Findings: "During the inspection, it was determined that the emergency and disaster plan did not include details for the number(s) 9,10 below.

1. Shelter in place or evacuation, how the approved child day camp will care for and account for the children until they can be reunited with the parent.
2. Assisting children with special needs and/or health conditions.
3. Reunification with parents including contact information, procedures for notifying and communicating, and communication during loss of phone or internet services,
4. Emergency contact information for the parents and the approved child day camp.
5. Procedures for notifying and communicating with parents regarding the location of the children if evacuated.
6. Procedures for communicating with parents during loss of communication, including loss of phone service or internet availability.
7. The location of supplies and procedures for gathering necessary supplies for children if required to shelter in place.
8. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip.
9. Training of staff or reassignment of staff duties as appropriate.
10. Updating the plan on a yearly basis.
11. Contact with local emergency management officials.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule."

Corrective Action Plan Due: 08/25/2023

### Domain: 28 Transportation and Field Trips

Rule: 5101:2-18-12 Transportation and Field Trips

Code: Approved child day camps must have emergency information available on all trips.

Findings: "During the inspection, it was determined that the items in number 1, below were not available on a trip (field or routine).

1. Written and signed permission from the parent that includes required information from Appendix A.
2. Copies of the written information required in the child's file for each child on the trip, except routine walks.
3. Written medical form for any child who has a health condition which could require special procedures or precautions during the course of the trip and required supplies.
4. Working cellular phone or other means of immediate communication.
5. Written record of which vehicle each child is being transported in and the cellular phone number of the adult in that vehicle who could be contacted in an emergency.
6. A staff member trained in cardiopulmonary resuscitation (CPR) and first aid was not present in the vehicle for routine trips and field trips and at the destination on all field trips.
7. Children and/or adults were not utilizing seat belts and/or were permitted to stand, sit on the floor, or ride in a vehicle where all seats were not anchored.

8. Ensure that reasonable accommodations are provided for children with special health needs, so that children are not excluded from trips because of special health needs. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule."
