Rule: 5101:2-18-10 Emergency, disaster, and health-related plans  
Code: Child day camps must have an emergency and disaster plan.

Findings: "During the inspection, it was determined that the emergency and disaster plan did not include details for the number(s) 9, and 10 below.

1. Shelter in place or evacuation, how the approved child day camp will care for and account for the children until they can be reunited with the parent.
2. Assisting children with special needs and/or health conditions.
3. Reunification with parents including contact information, procedures for notifying and communicating, and communication during loss of phone or internet services,
4. Emergency contact information for the parents and the approved child day camp.
5. Procedures for notifying and communicating with parents regarding the location of the children if evacuated.
6. Procedures for communicating with parents during loss of communication, including loss of phone service or internet availability.
7. The location of supplies and procedures for gathering necessary supplies for children if required to shelter in place.
8. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip.
9. Training of staff or reassignment of staff duties as appropriate. Documenting that staff have been trained annually about the Disaster plan.
10. Updating the plan on a yearly basis.
11. Contact with local emergency management officials.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule."
