Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if

the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: activities, foods, environmental conditions to avoid were missing; instructions regarding emergency evacuation, if applicable, were missing; printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; date of staff signature was missing; a child care staff member who had not been trained on the form performed the procedure

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/06/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing milk/formula for a particular infant were not labeled with the child's name and date of preparation. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/06/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to label and store bottles with breast milk following the requirements in rule.

Finding: During the inspection, it was determined that breast milk provided by the parent was not stored appropriately.

The following was observed: not labeled with the infant's name, date pumped and date bottle was prepared.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/06/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements.

The following was observed: verification of completion of a high school education was not on file.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/06/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: medical or dental emergencies, including emergency transportation; procedures for assisting infants, toddlers, and children with special needs and/or health conditions; updating the plan on a yearly basis

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/06/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 08 Staff Files

Rule: 5180:2-12-08 Staff TB Screening Requirements

Requirement: The program is required to have every employee provide evidence of tuberculois (TB) screening prior to the first day of employment.

Findings: During the inspection, it was determined verification of TB screening was not on file as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Findings: During the inspection, it was determined staff have not completed health and safety training(s) as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-10 Professional Development Requirements

Requirement: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Findings: During the inspection, it was determined staff did not complete professional development as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Findings: During the inspection, it was determined the child’s enrollment form is not complete or updated annually as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Findings: During the inspection, it was determined child's immunization records were not on file or updated annually as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Findings: During the inspection, it was determined the program's policies and procedures handbook does not contain all items as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
