**Summary of Non-Compliances**

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

**Serious Risk Non-Compliances**

**Domain: 00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements  
Code: The program administrator and owner are required to provide true and accurate information.

Finding: During the inspection, it was determined that the program provided false information, in that the administrator provided documents during a SUTQ visit, that she had filled out and signed instead of the parents. A licensing specialist observed the documents being completed. The rule requires the program to provide accurate and truthful information to the Department.  
 Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program’s corrective action plan, which includes a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.
