Department of Children & Youth

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff are not permitted to leave children unattended.

Allegation: Complainant alleged that children were not properly supervised during outdoor play.

Determination: Substantiated

Findings: During the inspection, it was determined that children were not supervised while outside the program as noted in number 1 below:

1. Children left unattended outside the facility building.
2. Child(ren) left unattended outside the facility building more than once.
3. Child(ren) left unattended off the program's premises.
4. Child(ren) left unattended during a swimming activity.
5. Child(ren) left unattended in a vehicle.
6. Child(ren) left unattended inside the building and no adults were present in the building.
7. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement that training was provided and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Risk Level: Serious

Domain:04 Indoor/Outdoor Space

Rule: 5180:2-12-11 Outdoor Space Requirements
Code: The program is required to have an outdoor play space free from immediate risk.

Allegation: Complainant alleged that the children were playing outdoors in an unsafe area not fenced/protected from traffic.

Determination: Substantiated

Findings: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 1 below:

Department of Children & Youth

1. The fence or combination of fence and natural barrier was not continuous. There was no fence between the parking lot and space that children were observed playing on video.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The latch was not engaged to prevent children from opening the gate.
9. The portable fencing approved for use by the Department was not being used.
10. Other [ ].

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Risk Level: Moderate

Corrective Action Plan Due: 05/15/2025

Domain:06 Program Information

Rule: 5180:2-12-14 Transportation and Field Trip Procedures
Code: The program is required to take all required safety and health items on trips.

Findings: During the inspection, it was determined that all required items were not taken on a field trip and/or routine trip as determined in that the item numbers 1 & 4 below was missing:

1. Completed copies of the JFS 01234 “Child Enrollment and Health Information For Child Care” (except routine walks);
2. First aid supplies;
3. A working cellular phone or other means of immediate communication (not to be used while a vehicle is in motion);
4. Written record of children on the trip, including which vehicle each child is being transported in and the cellular phone number of the adult in that vehicle who could be contacted in an emergency.

Provide staff training. Submit the program’s corrective action plan, which includes a written plan that ensures these safety guidelines will be met when children are transported, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
