

Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-13-09 Background Checks

Code: The program is required to receive a preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Findings: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person listed on the Employee Record Chart as noted in number 1 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-13-18 Attendance

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-13-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Findings: Children in care shall be protected from any items and conditions which threaten their health, safety, and well being. During the inspection, it was determined that children were not protected from the following item or condition which may threaten their health, safety, or well being as noted in the following number 22 below:

1. Surge protectors/outlets did not have childproof receptacle covers.
2. Open pull cords that are not closed loop.
3. Toys or other items small enough to be swallowed were present in the space where infants and/or toddlers were in care.

4. Electrical/extension cords attached to an object that would not likely result in a severe injury if pulled.
5. Stacked chairs.
6. Telephone cords.
7. Employee(s) purse(s).
8. Diaper bags.
9. Television not securely anchored.
10. Small or lightweight pieces of shelving units are not securely anchored to the wall.
11. Staff member stepped over a barrier/gate while holding a child.
12. Chipping or peeling paint.
13. An area rug did not have a nonskid backing.
14. An area rug presented a tripping hazard.
15. A floor surface was unsafe in that [].
16. No platform was provided for the sink or toilet.
17. The platform provided for the sink or toilet was not sturdy.
18. The platform provided for the sink or toilet posed a safety hazard in that [].
19. Emergency exits were blocked by the following furniture in that [].
20. A mercury thermometer was being used to take a child's temperature.
21. Methods of ventilation used did not provide protection from rodents, insects, or other hazards.
22. Other: Sub-CCSM drink on floor & scented plug-in in use

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/13/2024

Domain: 08 Staff Files

Rule: 5101:2-13-08 Child Care Staff Requirements

Code: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

Findings: In review of the staff records, it was determined that substitute child care staff member did not meet the requirements for completing the online orientation training as noted in number 1 below:

1. The training was not completed within 30 days of starting employment at the program as a child care staff member.
2. No documentation of completing the training after December 31, 2016.
3. Completion of the training was not verified in the OPR.
4. A child care staff member had sole responsibility of children and had not completed the online orientation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/23/2024

Domain: 08 Staff Files

Rule: 5101:2-13-10 Health Training

Code: The program is required to meet the health training requirements.

Findings: In review of records, it was determined the Substitute CCSM was left alone with children and did not have current valid documentation for training listed in number 15 below:

1. First Aid - expired training
2. First Aid - did not have verification of completion of First Aid training
3. First Aid - documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule
4. CPR - expired training
5. CPR - had not taken CPR training
6. CPR - did not have verification of the completion of CPR training
7. CPR - training taken did not include all age groups the program serves and developmental levels of all children in care
8. CPR - documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule
9. CPR - audiovisual or electronic media training taken by staff did not include an in-person component of the training
10. Communicable Disease - expired training
11. Communicable Disease - had not taken CD training
12. Communicable Disease - did not have verification of the completion of the CD training
13. Communicable Disease - documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule
14. Child Abuse - expired training
15. Child Abuse - had not taken Child Abuse training
16. Child Abuse - documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule

Correct the violation and submit the documentation of current certification with the program's corrective action plan to verify compliance with the requirement of the rule.
