

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

No Serious Risk Non-Compliances were observed during this inspection			

Moderate Risk Non-Compliances	

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

<u>Code</u>: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program reinspected to obtain a completed fire form.

<u>Finding</u>: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number 1 below:

- 1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
- 2. The documentation for the most recent fire inspection contained violations that had not been corrected.
- 3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

<u>Code</u>: The program is required to maintain the appropriate staff to child ratio for each group served.

<u>Finding</u>: During the inspection, a ratio of 2 child care staff member(s) for 15 children was determined to have occurred for the toddler group when the situation in number 1 below occurred:

- 1. A child care staff member stepped out of the room.
- 2. A child care staff member had not arrived at work on time.
- 3. Children were present who were not scheduled to be there.
- 4. A child care staff member was unable to work.
- 5. A child was injured in that group.
- 6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
- 7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
- 8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
- 9. Ratio was doubled for more than two hours while children were napping.
- 10. Ratio was doubled while children were napping for a group that included at least one infant.
- 11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.

- 12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
- 13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
- 14. The child care staff member did not return to the group after allowing access to the school age only program. 15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size

<u>Code</u>: The program is required to maintain the appropriate group size for each group of children served.

<u>Finding</u>: During the inspection, group size limitations were not maintained for the group of toddlers as it was determined there were 15 children grouped together. The group size shall not exceed twice the maximum number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-22 Meal and Snack Requirements

<u>Code</u>: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

<u>Finding</u>: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in number 4 below.

- 1. The menu was not posted.
- 2. The posted menu was not in a visible place readily accessible to parents.
- 3. The menu was not currently dated.
- 4. The entire menu was substituted.
- 5. At least one item on menu did not match what was served.
- 6. The meal or snack served did not match the posted menu.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Orientation Training & Whistle Blower Protection

<u>Code</u>: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

<u>Finding</u>: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training as noted in number 1 below:

- 1. The training was not completed within 30 days of starting employment at the program as a child care staff member.
- 2. Documentation of completing the training after December 31, 2016 was not on file.
- 3. Completion of the training was not verified in the OPR.
- 4. A child care staff member had sole responsibility of children and had not completed the online orientation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
