Domain: 23 Medication

Rule: 5101:2-18-11 Medication and special health needs

Code: A written medical care plan shall be used for children with a condition or diagnosis that requires specific care and/or intervention by child day camp staff.

Findings: "During the inspection, it was determined that the approved child day camp did not follow the process for a medical care plan in that the child day camp did not complete items in number(s) [1, 5] below:

1. Ensure that there is a completed written medical care plan for each condition per child.
2. Implement and follow all requirements of each child's medical care plan.
3. Ensure that there is at least one day care staff member caring for the child at all times who has signed the medical care plan on the child's condition, including on-site at field trips.
4. Keep the medical care plan in a location that can be easily and quickly accessed at all times, including being removed from the approved child day camp if there is an emergency where the child needs to be moved to another location.
5. The written medical care plan shall be on file with the approved child day camp by the first day of attendance or upon confirmation of a health condition.
6. The written medical plan shall be on file with the approved child day camp by the first day of attendance or upon confirmation of a health condition.
7. If the approved child day camp suspects that a child has a health condition, the camp may require a physician's statement within a designated timeframe.
8. Only staff members trained on the child's needs and required procedure shall be permitted to perform medical procedures or other action needed for a health condition or special need.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule."
