Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report.   Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Sanitary Equipment and Environment
Code: The program is required to be kept clean to prevent an infestation of insects or rodents.

Allegation: There are bed bugs present in the building.

Determination: Substantiated

Findings: During the inspection, it was acknowledged that bed bugs have recently been found in several classrooms. A professional company was hired to treat the building (on the weekend). Since that treatment only a couple of the bugs have been found. The company will conduct follow up treatments if needed. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Risk Level: Low

Corrective Action Plan Due: 01/04/2023

Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Sanitary Equipment and Environment
Code: The program is required to provide a clean and healthy environment.

Allegation: The program is not cleaned or sanitized as required.

Determination: Substantiated

Findings: It was stated that the program is cleaned daily. However, during the inspection, there was a strong odor (possibly urine) in the School Age Room, PreK Room and the hallway between these two rooms. A clean and healthy environment, including furniture, materials and equipment must be provided, and the program shall be cleaned daily. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Risk Level: Low
