

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Sanitary Equipment and Environment

Code: The program is required to follow the cleaning schedule for equipment.

Allegation: Children's individual blankets and belongings were stored in an unsanitary manner.

Determination: Substantiated

Findings: During the inspection, it was determined that the program was not providing a clean and healthy environment, furniture, materials and equipment as required by Appendix A, as noted in number(s) 3 below:

1. Item(s) soiled with blood or bodily fluids were not cleaned/sanitized immediately.
2. Blankets/sheets were not cleaned weekly, when soiled, or before use by another child.
3. Children's individual blankets and belongings were stored in an unsanitary manner.
4. Bottles, bottle caps, nipples and other equipment used for bottle feeding were not cleaned and sanitized in a dishwasher or by washing, rinsing, and boiling for one minute.

28. The manufacturer's directions for the cleaning product were not followed.
29. The solution used for sanitizing was not a commercial product registered by the United States Environmental Protection Agency as a sanitizer.
30. Other [].

Furniture, materials and equipment must be maintained according to the cleaning and sanitizing schedule in Appendix A to this rule. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Risk Level: Low

Corrective Action Plan Due: 09/13/2023

Domain:06 Program Information

Rule: 5101:2-12-21 Evening and Overnight Care

Code: The program is required to have a written security plan, limiting the access to the program to only parents/guardians of children in care and authorized persons.

Allegation: The written security plan was not implemented regarding limited building access.

Determination: Substantiated

Findings: During the investigation, it was determined that the program did not implement the written security plan that ensures that access to the program is limited to parent/guardians of children in care and authorized persons only. The plan shall ensure that children are supervised at all times during the limited access hours. Due to the outside door/latch being broken access to the children in care was not limited.

Submit the program's corrective action plan, which includes a copy of the written security plan, a statement that the door/latch had been repaired and that staff training has been provided to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

No Additional Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Findings: During the investigation, it was determined that children were left unattended while inside the program as noted in number(s) 1 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Findings: During the inspection, a ratio of 1 child care staff member(s) for 10 children was determined to have occurred for the Infant group when the situation in number(s) 1 below occurred, in addition to number 11:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio. (Toddler and Preschool)
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 2,3,4,6,7 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
