

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5180:2-12-04 Building Department Inspection

Code: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in numbers 6 below:

1. The [] room or space was not approved.
2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. [] children were being cared for and the building had been approved for [] children.
6. The Prschool room occupancy had been exceeded. 21 children were being cared for in this space that had been approved for 16 children.
7. Care was provided to [] children less than two and one-half years of age. This violated the program's building code limitation in that, [].

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-20 Cribs

Code: The program staff is required to remove any items listed in rule that are a potential suffocation risk from cribs.

Finding: During the inspection, it was determined that a child had been placed in a crib with an object that created a potential strangulation or suffocation risk, as indicated in number 6 below:

1. Bib
2. Pacifier clip/ribbon
3. Teething jewelry
4. Blanket for infant under twelve months old
5. Pillow
6. Boppy
7. Bumper pad

8. Clothing stored in the crib
9. Diaper bag
10. Object or toy strung over the crib in which a child can pull himself up
11. Stuffed animal that is large/soft enough to conform to the shape of the child's face
12. Other []

The rule prohibits any item which obstructs child-care staff's visibility or poses a risk of strangulation or suffocation from being placed on or in a crib. Remove the item(s) immediately. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/19/2026

Domain: 08 Staff Files

Rule: 5180:2-12-09 Background Check Requirements

Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 1 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/19/2026

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 05 Health & Safety

Rule: 5180:2-12-22 Fluid Milk Requirements

Code: The program is required to serve age-appropriate fluid milk or obtain written documentation when serving substitutions for fluid milk.

Finding: During the inspection, it was determined that required documentation for substitutions for fluid milk was not on file as noted in number 4 below:

1. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants up to 12 months of age are served anything other than formula or breast milk.
2. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants and toddlers 12 months of age up to 24 months of age are served anything other than unflavored whole homogenized vitamin D fortified cow's milk, breast milk, or non-cow milk substitution that is nutritionally equivalent to milk.
3. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when toddlers and children 24 months of age and older are served anything other than unflavored one per cent milk that is vitamin A and D fortified, unflavored fat free or skim milk that is vitamin A and D fortified, or non-cow milk substitutions that are nutritionally equivalent to milk.
4. Written parental consent for non-cow milk substitutions that are nutritionally equivalent to milk for children 12 months of age and older.
5. The program did not have the type of milk on-site to ensure that all children were served age-appropriate fluid milk.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing formula for a particular infant were not labeled with the child's name and date of preparation. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Code: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements as listed in number 1 below:

1. Verification of completion of a high school education was not on file.
2. Documentation was incomplete or not on file for a high school junior or senior who is enrolled in a career-technical program.
3. Documentation was not on file for a high school junior or senior who is also enrolled in a college credit program in child development or early childhood education.
4. Documentation was not on file for a high school junior or senior who is enrolled in a Child Development Associate (CDA) training program.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.
