

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances
No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Rule: 5101:2-12-18 Attendance Records

<u>Code</u>: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

<u>Finding</u>: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 3 & 4 below:

- 1. No attendance record was being maintained.
- 2. The attendance record was not being consistently completed.
- 3. The record did not include the name of at least one child. (last name)
- 4. The record did not include the birth date of at least one child.
- 5. The record did not include the assigned group.
- 6. The record did not include the child's weekly schedule.
- 7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
- 8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

<u>Code</u>: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

<u>Finding</u>: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 5 below:

- 1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
- 2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
- 3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
- 4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
- 5. Child(ren) were not within both sight and hearing of a child care staff member during nap. (blankets covering heads)

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
