

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

<u>Code</u>: The program is required to maintain the appropriate staff to child ratio for each group served.

<u>Finding</u>: During the inspection, a ratio of 1 child care staff member for 8 children was determined to have occurred for the combined 23 months - 4 year old group when the situation in number 1 below occurred:

1. A child care staff member stepped out of the room. CCSM came from back room to answer the front door.

- 2. A child care staff member had not arrived at work on time.
- 3. Children were present who were not scheduled to be there.
- 4. A child care staff member was unable to work.
- 5. A child was injured in that group.
- 6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
- 7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.

- 9. Ratio was doubled for more than two hours while children were napping.
- 10. Ratio was doubled while children were napping for a group that included at least one infant.

11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.

12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.

13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.

14. The child care staff member did not return to the group after allowing access to the school age only program. 15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

<u>Code</u>: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

<u>Finding</u>: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 1 below:

1. The request for a background check for child care was not submitted in the OPR.

2. The fingerprints were not submitted electronically according to the process established by BCI.

3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.

4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children

until the preliminary approval has been received, to the Department to verify compliance with the requirements
of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

<u>Code</u>: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

<u>Finding</u>: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 5 below:

- 1. There was no method in place;
- 2. The method did not include each child's name;
- 3. The method did not include each child's date of birth;
- 4. The tracking method did not remain with the group at all times;

5. The tracking method was not updated throughout the day as children entered or left the group. Child not marked out.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

<u>Rule</u>: 5101:2-12-07 Administrator Responsibilities/Requirements <u>Code</u>: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

<u>Finding</u>: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in numbers 3,5,6,7 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.

2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.

3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.

4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.

5. At least one individual's schedule was not current.

6. At least one individual's position or role did not include an applicable group assignment.

7. At least one individual's employment had not been end dated.

8. Other: []

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

<u>Rule</u>: 5101:2-12-15 Child Medical and Enrollment Records <u>Code</u>: The program is required to use the updated JFS 01234 "Child Enrollment and Health Information For Child Care".

<u>Finding</u>: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the JFS 01234 "Child Enrollment and Health Information For Child Care", as required, for the items in number 6, 10 below.

- 1. No enrollment form was completed for at least one child
- 2. The current JFS 01234 was not completed for at least one child
- 3. Complete child information
- 4. Complete parent information
- 5. Complete emergency contact information
- 6. Complete physician information
- 7. Information regarding the parent list
- 8. Health information
- 9. Additional information for all boxes checked "yes"
- 10. Emergency transportation information
- 11. Parent/guardian's signature
- 12. Diapering Statement
- 13. Acknowledgement of Policies and Procedures

14. Enrollment form for at least one child was not updated by either the parent or the administrator 15. Enrollment form for at least one child was not signed by the administrator 16. Other []

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Domain: 09 Children's Files

<u>Rule</u>: 5101:2-12-15 Child Medical and Enrollment Records <u>Code</u>: The program is required to have a completed medical on file at the program for each child enrolled.

<u>Finding</u>: In review of 25% of the children's records, it was determined that completed medical statements were not on file, as required, for children listed on the JFS Children's Record Review For Child Care as indicated in number 7 below:

- 1. No medical was on file for at least one child
- 2. Medical(s) on file was not updated every 13 months
- 3. Medical(s) were missing child's name and date of birth
- 4. Medical(s) were missing the date of the medical examination
- 5. The date of the exam was more than 13 months prior to the date the form was signed.
- 6. Medical(s) were missing a statement that the child has been examined and is in suitable condition for
- participation in group care

7. Medical(s) were missing the signature, business address and telephone number of the physician, physician's assistant(PA), advance practice nurse (APN) or certified

- nurse practitioner (CNP) who examined the child
- 8. Medical(s) were missing a record of immunizations the child has had specifying month, day and year
- 9. Medical(s) were missing a statement from the physician, PA, APN, or CNP that the child has been immunized or is in the process of being immunized against the diseases
- required by division 5104.014 of the Revised Code and found in appendix A to this rule
- 10. Medical(s) were missing a statement from the child's parent or guardian that he or she has declined to have the child immunized against the disease for reasons of
- conscience, including religious convictions
- 11. Other []
- Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
