

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 6 children was determined to have occurred for the infant/toddler group when the situation in number 4 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/14/2023

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored in older toddlers where children had access to it, as noted in number 2 below.

1. Bleach.
2. Cleaning agent.
3. Fish tank chemicals.
4. Gasoline.
5. Pesticide.
6. Poison, including insect/rodent poison.
7. Flammable substance.
8. Windshield washer fluid.
9. Aerosol cans.
10. A lawn mower.
11. A weed trimmer.
12. Hedge trimmers.
13. A snow blower.
14. Other potentially hazardous substance, equipment or machinery: [].

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Food Service Requirements

Code: The program is required to maintain their food license and not allow it to expire.

Finding: During the inspection, it was determined that the posted food service license had expired. A current food service license must be obtained. Submit the program's corrective action plan, which includes a copy of the updated food service license, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/14/2023

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
