Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to an increased risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**
Rule: 5180:2-12-19 Supervision
Requirement: The program is to ensure that child care staff members provide supervision of the children in care.
Finding: During the inspection, it was determined that children were left unattended while inside the program.
The following was observed: A preschooler was walking down the hallway without supervision. The staff said the child followed the teacher out of the room, but no one stopped him or was aware he left the room.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
Corrective Action Plan Due: 11/25/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.
Domain: **01 Ratio & Supervision**
Rule: 5180:2-12-18 Attendance Records
Requirement: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.
Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule.
The following was observed: One child was moved from the toddler room to the preschool room and was not marked in or out on attendance.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
