

Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at <https://childcaresearch.ohio.gov/>. This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

No Allegations were substantiated during this inspection.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. Rule: 5180:2-12-14 Transportation - Vehicle Requirements

Requirement: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Finding: During the inspection, it was determined the program used a vehicle to transport children that was not approved and/or did not have a current annual vehicle inspection indicating the vehicle was mechanically safe as noted in number(s) 2 below:

1. The program used a converted cargo van or passenger vans designed to carry ten or more passengers. The program must cease the use of this vehicle immediately.
2. The vehicle was not inspected.
3. The vehicle was inspected by someone other than an ASE certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector or the Ohio State Highway Patrol.
4. The vehicle inspection was not updated annually.
5. The vehicle inspection completed from the Ohio Highway Patrol did not meet the rule requirement.
6. The annual safety check of the vehicle(s) used by the program to transport children noted repairs or corrections that had not been completed and/or documented. The safety violations need to be corrected immediately.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the JFS 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to take all required safety and health items on trips.

Finding: During the inspection, it was determined that all required items were not taken on a field trip and/or routine trip as determined in that the item number(s) 1, 2, and 4 below was missing:

1. Completed copies of the JFS 01234 "Child Enrollment and Health Information For Child Care" (except routine walks);
2. First aid supplies;
3. A working cellular phone or other means of immediate communication (not to be used while a vehicle is in motion);
4. Written record of children on the trip, including which vehicle each child is being transported in and the cellular phone number of the adult in that vehicle who could be contacted in an emergency.

Provide staff training. Submit the program's corrective action plan, which includes a written plan that ensures these safety guidelines will be met when children are transported, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to have staff trained in CPR, First Aid, and Communicable Diseases on all trips.

Finding: During the inspection, it was determined that a person trained in cardiopulmonary resuscitation (CPR), first aid and management of communicable disease, had not been present for number(s) 1 below as required by the rule:

1. In the vehicle for routine trips;
2. In the vehicle for field trips;
3. At the destination on all field trips.

Secure current training for the area needed or restructure the staff who are currently trained on the vehicle during routine trips and field trips. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-14 Transportation - Driver Requirements

Requirement: The program is required to have all drivers be an employee of the program, a public transportation driver, or employed by a contracted transportation service company and retain a copy of all licenses for drivers employed by the program.

Finding: During the inspection, it was determined that the requirements for drivers was not met as listed in number(s) 2 below:

1. The driver(s) noted on the Employee Record Chart used for trips did not have a copy of a current driver's license on file.
2. At least one employee who is responsible for transporting children did not have documentation of completion of the prescribed driver training on file.
3. The driver used to transport children was not an employee of the program, a public transportation driver, or employed by a company contracted to provide transportation service.

Remove this individual from transporting children until the requirements are met. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-14 Transportation - Vehicle Requirements

Requirement: The program is required to complete and document weekly inspections of vehicles used to transport children.

Finding: During the inspection, it was determined that the program had not performed and/or documented weekly inspections of vehicles used for transporting children. The weekly inspection needs to include the following:

1. A visual inspection of the tires for wear and tire pressure
2. A visual inspection of headlights, taillights, signals, mirrors, wiper blades, and dash gauges

3. An inspection for properly functioning child and driver restraints
4. An inspection for properly functioning doors and windows
5. An inspection for, and cleaning of, debris from inside the vehicle

Submit the program's corrective action plan, which includes a copy of the documented weekly inspection of vehicles, to the Department to verify compliance with the requirements of this rule.
