Rule: 5101:2-13-08 Child Care Staff Requirements

Code: The program staff is required to have verification of a high school education in the OPR or on file at the program.

Findings: In review of the staff records, it was determined that verification of a high school education was not on file at the program nor verified in the Ohio Professional Registry for the child care staff member listed on the Employee Record Chart, as required. Submit the program's corrective action plan, which includes a copy of the verification of a high school education, to the Department to verify compliance with the requirements of this rule.
