

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 1, 2, 3 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.

3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.

4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have documentation from ODJFS, indicating the individual is eligible to be employed in child care, on file before allowing the staff to have sole responsibility of children.

Finding: During the inspection, it was determined that child care staff member(s) had sole responsibility of children in the schoolage group(s) and neither a preliminary approval nor the JFS 01176 "Program Notification of Background Check Review for Child Care" were on file as required. Submit the program's corrective action plan, which includes a copy of the JFS 01176 or a statement that the child care staff member(s) no longer have sole responsibility of children, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 4, 5, 7 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2023

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Daily Schedule

Code: The program is required to have the daily program schedule posted in all required areas.

Finding: During the inspection, it was determined that a copy of the daily program schedule was not posted in the classroom areas as required (full day not listed on schedule only hours between 3:30-5:00pm listed). Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance and submit a written response.

Corrective Action Plan Due: 10/20/2023

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Space Requirements

Code: The program is required to have an outdoor play space that provides 60 square feet of usable space per child.

Finding: During the inspection, it was determined the program's outdoor play area did not meet the requirements of the rule as noted in number 1 below:

1. The program no longer had an on-site outdoor play space, in that the capacity was increased removing the indoor gross motor space and the program served children all day without an outdoor playground.
2. The program's outdoor play space did not provide 60 square feet per child using the area at one time.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/21/2023

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Indoor Space Requirements

Code: The program is required to serve children in areas that are exclusively used for child care during the program's operating hours. The program's license capacity is based on areas exclusively used for child care.

Finding: During the inspection, it was determined that areas included in the program's measured space were not used exclusively for child care during the program's hours of operation, as required. The program's license

capacity may need to be re-determined if the space is no longer exclusively available. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance and submit a written response.

Corrective Action Plan Due: 10/21/2023

Domain: 05 Health & Safety

Rule: 5101:2-12-16 First Aid/Standard Precautions

Code: The program is required to have a first aid kit onsite.

Finding: During the inspection, it was determined first aid kit(s) at the program had missing, or expired, items that are required by appendix A of this rule to be contained in a first aid kit, as noted in number(s) 2, 9, 10, 14 below:

1. The program did not have a first aid kit [onsite, on the vehicle, on a field trip].
2. One roll of hypoallergenic first-aid tape.
3. Individually wrapped sterile gauze squares in assorted sizes.
4. Sterile adhesive bandages in assorted sizes.
5. Tweezers.
6. Gauze rolled bandage.
7. Triangular bandage.
8. Rounded end scissors.
9. Tooth preservation system or fresh chilled liquid milk in which to transport a lost permanent tooth, including a written reference indicating location of the refrigerator/freezer where milk is stored if a tooth preservation system is not part of the first aid kit (for programs serving school age children only).
10. A working digital thermometer.
11. Disposable non-latex gloves.
12. A working flashlight.
13. An instant cold pack that has not been activated or ice, including a written reference indicating location of the refrigerator/freezer where the ice is stored if an instant cold pack is not part of the first aid kit.
14. Sealable leak-proof plastic bags in assorted sizes or double bagged plastic bags that can be securely tied for materials soiled with blood or bodily fluids.
15. Pocket mask or face shield, appropriate for all ages of children in care, for cardiopulmonary resuscitation (CPR) administration.
16. Soap or waterless sanitizer (field trip or transporting away from the program only).
17. Bottled water (field trip or transporting away from the program only).

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance and submit a written response.

Rule: 5101:2-12-14 Transportation and Field Trip Procedures

Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in number(s) 4, 6, 7, 8, below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises.
2. The written permission was missing the child's name.
3. The written permission was missing the date(s) of the trip(s) (field trips only).
4. The written permission was missing the destination(s) of the trip(s).
5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).
6. The written permission was missing the signature of the parent.
7. The written permission was missing the date on which the permission was signed.
8. The written permission was missing a statement notifying parents how their child will be transported.
9. Permission forms for routine trips were not being updated annually.
10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number(s) 1, 2, 4, 5, 7 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.

3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 1 below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing:
 - a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
 - b. Results of a TB test for employees meeting both criteria in 6a.
 - c. Results of additional testing for employees with a positive TB test.
 - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
