

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

**Summary of Non-Compliances**

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

**Serious Risk Non-Compliances**

**No Serious Risk Non-Compliances were observed during this inspection**

**Moderate Risk Non-Compliances**

**Domain: 01 Ratio & Supervision**

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 2 child care staff members for 19 children was determined to have occurred for the Preschool group when the situation in number 15 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other: Two children between two and half and three years old were assigned to the Preschool group and the ratio for Older Toddlers was not followed as required.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 1 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

### Low Risk Non-Compliances

#### Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

#### Domain: 01 Ratio & Supervision

**Rule:** 5101:2-12-18 Group Size

**Code:** The program is required to maintain the appropriate group size for each group of children served.

**Finding:** During the inspection, group size limitations were not maintained for the group of Preschool children that included two older toddlers, as it was determined there were nineteen children grouped together when the group size maximum for older toddlers was sixteen children. The group size shall not exceed twice the maximum number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 05 Health & Safety**

**Rule:** 5101:2-12-16 First Aid/Standard Precautions

**Code:** The program is required to have a first aid kit onsite.

**Finding:** During the inspection, it was determined first aid kit used for field trips had missing, or expired, items that are required by appendix A of this rule to be contained in a first aid kit, as noted in numbers 5, 6, 7, 9, 10, 12, 13, 15, 16 and 17 below:

1. The program did not have a first aid kit [onsite, on the vehicle, on a field trip].
2. One roll of hypoallergenic first-aid tape.
3. Individually wrapped sterile gauze squares in assorted sizes.
4. Sterile adhesive bandages in assorted sizes.
5. Tweezers.
6. Gauze rolled bandage.
7. Triangular bandage.
8. Rounded end scissors.
9. Tooth preservation system or fresh chilled liquid milk in which to transport a lost permanent tooth, including a written reference indicating location of the refrigerator/freezer where milk is stored if a tooth preservation system is not part of the first aid kit (for programs serving school age children only).
10. A working digital thermometer.
11. Disposable non-latex gloves.
12. A working flashlight.
13. An instant cold pack that has not been activated or ice, including a written reference indicating location of the refrigerator/freezer where the ice is stored if an instant cold pack is not part of the first aid kit.
14. Sealable leak-proof plastic bags in assorted sizes or double bagged plastic bags that can be securely tied for materials soiled with blood or bodily fluids.
15. Pocket mask or face shield, appropriate for all ages of children in care, for cardiopulmonary resuscitation (CPR) administration.
16. Soap or waterless sanitizer (field trip or transporting away from the program only).
17. Bottled water (field trip or transporting away from the program only).

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-14 Transportation and Field Trip Procedures

Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in numbers 3 and 4 below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises.
2. The written permission was missing the child's name.
3. The written permission was missing the date(s) of the trip(s) (field trips only).
4. The written permission was missing the destination (address) of the trip.
5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).
6. The written permission was missing the signature of the parent.
7. The written permission was missing the date on which the permission was signed.
8. The written permission was missing a statement notifying parents how their child will be transported.
9. Permission forms for routine trips were not being updated annually.
10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.
11. Other: [ ].

Update the field trip permission form to include all required information. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 06 Program Information**

Rule: 5101:2-12-14 Transportation and Field Trip Procedures

Code: The program is required to take all required safety and health items on trips.

Finding: During the inspection, it was determined that all required items were not taken on a field trip as determined in that the item numbers 1, 2 and 4 below was missing:

1. Completed copies of the JFS 01234 "Child Enrollment and Health Information For Child Care" (except routine walks);
2. First aid supplies;
3. A working cellular phone or other means of immediate communication (not to be used while a vehicle is in motion);
4. Written record of children on the trip

Provide staff training. Submit the program's corrective action plan, which includes a written plan that ensures these safety guidelines will be met when children are on field trips, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in numbers 2 and 3 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Rule:** 5101:2-12-08 Child Care Staff Member Educational Requirements

**Code:** The program staff is required to have education documentation translated and shown as equivalent to a high school education.

**Finding:** In review of the staff records, it was determined that the child care staff member listed on the Employee Record Chart had educational information on file that could not be verified as recognized by the state board of education or the appropriate agency of another state or country as equivalent to the completion of a high school education. The rule requires a child care staff member to provide evidence of the completion of a high school education. Submit the program's corrective action plan, which includes a copy of the educational information and/or equivalency report, to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

**Rule:** 5101:2-12-08 Medical Statement

**Code:** The program staff's medical statements are required to be completed and on file at the program.

**Finding:** In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number 3 below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
  - a. Physically fit for employment in a program caring for children;
  - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
  - c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing:
  - a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
  - b. Results of a TB test for employees meeting both criteria in 6a.
  - c. Results of additional testing for employees with a positive TB test.
  - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
