

## Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Complaint Allegations

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

#### Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Allegation: Children are running/playing in the parking lot during outdoor play.

Determination: Substantiated

Findings: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 2, 4 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: [ ].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

**Domain:04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Code: The program is required to have an outdoor play space free from immediate risk.

Findings: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good repair, or other barrier. Although the fence or natural barrier was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The fence or gate was not in good repair and/or being used inappropriately as noted in number(s) 1 below:

1. There was no fence or barrier present during outdoor play. Children were observed running and playing in the parking lot.
2. The fencing was broken.
3. The fencing was loose.
4. The fencing was rotting.
5. The gate was broken and did not close.
6. The gate was locked.
7. The latch on the gate was broken.
8. The latch was easily opened by children on the playground.
9. The latch was not engaged to prevent children from opening the gate.
10. The gate had no latch.
11. There were bolts with more than two threads exposed along a fence line or gate on a playground.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
