

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5180:2-12-11 Outdoor Play Fall Zones

Code: The program is required to provide adequate fall surface for the outdoor play space.

Finding: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in number(s) 1 below:

1. No fall surface
2. Adequate fall surface to soften the impact of a fall
3. Adequate fall surface to soften the impact of a fall that extended the length of the required fall zone
4. Other []

With any equipment designed for climbing, swinging, bouncing, or sliding, resilient material, as specified in Appendix A, needs to be added in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/28/2025

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-20 Cribs

Code: The program is required to provide cribs that meet the standards specified by the United States Consumer Product Safety Commission for all infants in attendance. Cribs must be stable and have bars that meet the spacing and size requirements listed in rule. The program is required to refrain from stacking cribs that are used for sleeping infants.

Finding: During the inspection, it was determined that at least one crib in the infant area did not meet the standards set forth in the rule and the United States Consumer Product Safety Commission (CPSC) safety standards as noted in number(s) 4 below:

1. The crib was manufactured prior to June 28, 2011 and the program did not have a certificate of compliance on file.
2. The crib was broken.
3. The crib was missing hardware.
4. The crib was leaning and/or not stable.
5. The crib had corner posts that exceeded more than one sixteenth of an inch above the top of the end panel.
6. The spaces between the bars of the crib, or between the bars and end panels of a crib, exceeded two and three-eighths inches.
7. Stacked cribs were used for a sleeping infant. Repair or replace the crib(s).

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/28/2025

Domain: 08 Staff Files

Rule: 5180:2-12-09 Background Check Requirements

Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 1 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/28/2025

Domain: 09 Children's Files

Rule: 5180:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number(s) 1,7 below:

1. No plan was on file.

13. Time for medication/medical food to be administered was missing or not attached.
14. Expiration date for medication/medical food was missing or not attached.

15. Symptoms that require staff to administer medication/medical food were missing or not attached.
16. Specific instructions to administer the medication/medical food were missing or not attached.
17. Actions to be taken if the symptoms do not subside were missing or not attached.
18. Physician's signature was missing or not attached.
19. The date of the physician's signature was missing or not attached.

(Page 3)

20. Child's name was missing.
21. Instructions regarding emergency evacuation, if applicable, were missing.
22. Signature of parent granting permission to implement the plan and verifying training was missing.
23. Date of parent signature was missing.
24. Certified Professional Trainer information was missing.
25. Signature of certified professional who trained the program staff was missing, if parent was not the trainer.
26. Date of trainer signature was missing.
27. Printed name(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.
28. Signature(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.
29. Date of staff signature was missing.
30. Administrator/Provider signature was missing.
31. Date of administrator/Provider was missing.

(Page 4)

32. Child's name was missing.
33. Name of medication or medical food was missing.
34. Date the medication/medical food was administered was missing.
35. Time medication/medical food was administered was missing.
36. Dosage of medication/medical food that was administered was missing.
37. Signature of person administering medication/medical food was missing.
38. The plan was not followed or implemented.
39. The plan was not able to be implemented due to conflicting information.
40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.
41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.
42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.
43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.
44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/28/2025

Domain: 09 Children's Files

Rule: 5180:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food or a prescription topical product to a child as noted in number(s) 19 below:

1. The JFS 01217 "Request for Administration of Medication for Child Care" was not on file for a medication, medical food, or prescription topical product that was not required by a JFS 1236 ""Child Medical/Physical Care Plan for Child Care"".
 2. The child's name was missing on the JFS 01217.
 3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
 4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
 5. The name of the medication was missing on the JFS 01217.
 6. The exact dose was missing on the JFS 01217.
 7. The time to administer was missing on the JFS 01217.
 8. The time period to administer was missing on the JFS 01217.
 9. The medication's expiration date was missing on the JFS 01217.
 10. The Parent/Guardian's dated signature was missing on the JFS 01217.
 11. Physician instructions were missing on the JFS 01217.
 12. Possible side effects were missing on the JFS 01217.
 13. Physician's dated signature was missing on the JFS 01217.
 14. Physician's phone number was missing on the JFS 01217.
 15. Date medication was administered was missing on the JFS 01217.
 16. Time medication was administered was missing on the JFS 01217.
 17. Dosage administered was missing on the JFS 01217.
 18. Staff member's signature was missing on the JFS 01217.
 19. A prescription label was not attached to the prescription medication.
 20. The medication or product, [], was not brought to the program in its original container.
 21. Parent instructions conflict with either the manufacturer or physician instructions.
- Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 3, 4 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
