

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at <https://childcaresearch.ohio.gov/>. This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-20 Cots and Napping - Equipment and Environment

Requirement: The program is required to provide enough cots or mats for each child in attendance to be assigned their individual cot/mat. Cots and mats must be firm, resilient, and in good condition.

Finding: During the inspection, it was determined that cots or mats did not meet the requirements.

The following was observed: • A child was sleeping on the floor in the school age area.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/23/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals and cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Findings: During the inspection, chemicals were observed on a table or low shelf and not kept inaccessible as required, however children were not present in that space when observed. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time. Clorox wipes were on a table as they could be assessable to children walking to the bathroom.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to provide a clean restroom with the appropriate materials available.

Findings: During the inspection, it was determined the program did not ensure that all toilets were flushed after use as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-12-20 Cribs - Placement

Requirement: The program is required to place cribs two feet apart when in use.

Findings: During the inspection, it was determined the program did not separate cribs at least two feet apart as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time. A bouncy seat and a floor feeding chair were on both sides of the crib only leaving access to one side of the crib.
