

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 06 Program Information

Rule: 5101:2-12-14 Transportation - Vehicle Requirements

Code: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Finding: During the inspection, it was determined the program used a vehicle to transport children that was not approved and/or did not have a current annual vehicle inspection indicating the vehicle was mechanically safe as noted in number 2 below:

1. The program used a converted cargo van or passenger vans designed to carry ten or more passengers. The program must cease the use of this vehicle immediately.
2. The vehicle was not inspected or the program did not provide the vehicle inspection.

3. The vehicle was inspected by someone other than an ASE certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector or the Ohio State Highway Patrol.
4. The vehicle inspection was not updated annually.
5. The vehicle inspection completed from the Ohio Highway Patrol did not meet the rule requirement.
6. The annual safety check of the vehicle(s) used by the program to transport children noted repairs or corrections that had not been completed and/or documented. The safety violations need to be corrected immediately.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the JFS 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-02 Current Information

Code: The rule requires the program to keep the list of individuals who are legal business owners current in OCLQS.

Finding: During the inspection, it was determined an individual listed as a legal business owner, as defined in section 5104.03 of the Revised Code, had changed and the program had not submitted the information in the Ohio Child Licensing and Quality System (OCLQS) within thirty days of the change. During an on-site Technical Assistance Visit on 5/1/24, the owner's representative stated that one of the original incorporators had left the organization. The records on file with the Secretary of State have not been updated. Please provide written documentation to Diane.Traczyk@Childrenandyouth.ohio.gov and Stacy.Carbone-Sterling@childrenandyouth.ohio.gov that the original incorporator is no longer a part of the organization. Additionally, on 5/1/24 the representative stated that there were four members of the organization's board. Three of the members are not appropriately noted in OCLQS as owners or authorized representatives, and the fourth member does not appear to be currently involved in the organization. Please update OCLQS to correctly reflect all current owners and representatives of the corporation. Log into OCLQS to complete and submit the updated information. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the attendance or method for tracking children in each group did not meet the requirements of the rule as noted in number 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The attendance or tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/08/2024

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in numbers 2, 3, 4 & 7 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the full name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
