

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Rule: 5101:2-12-18 Attendance Records

<u>Code</u>: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

<u>Finding</u>: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 2 below:

- 1. No attendance record was being maintained.
- 2. The attendance record was not being consistently completed.
- 3. The record did not include the name of at least one child.
- 4. The record did not include the birth date of at least one child.
- 5. The record did not include the assigned group.
- 6. The record did not include the child's weekly schedule.
- 7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
- 8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

<u>Code</u>: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

<u>Finding</u>: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 1 below:

- 1. There was no method in place;
- 2. The method did not include each child's name;
- 3. The method did not include each child's date of birth;
- 4. The tracking method did not remain with the group at all times;
- 5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff's medical statements are required to be completed and on file at the program.

<u>Finding</u>: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number 1 below.

- 1. A medical statement was not on file for at least one employee;
- 2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
- 3. Date of examination was missing;
- 4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
- 5. A statement was missing that verifies the employee is:
- a. Physically fit for employment in a program caring for children;
- b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
- c. Immunized against Measles, Mumps, and Rubella (MMR);
- 6. Tuberculosis (TB) screening/test information was missing:
- a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
- b. Results of a TB test for employees meeting both criteria in 6a.
- c. Results of additional testing for employees with a positive TB test.
- d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-08 Orientation Training & Whistle Blower Protection

<u>Code</u>: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

<u>Finding</u>: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training as noted in number 4 below:

- 1. The training was not completed within 30 days of starting employment at the program as a child care staff member.
- 2. Documentation of completing the training after December 31, 2016 was not on file.
- 3. Completion of the training was not verified in the OPR.
- 4. A child care staff member had sole responsibility of children and had not completed the online orientation.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
