

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at <https://childcaresearch.ohio.gov/>. This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

No other non-compliances were observed during this inspection

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 07 Diapering & Infant Care

Rule: 5180:2-13-23 Infant Daily Care

Requirement: The program is required to provide a daily written record for each infant in care to the parents when picking up the infant each day.

Findings: During the inspection, it was determined the program did not provide an infant daily form for each child as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time. During Inspection it was observed that the infant daily form was partially filled out. This was discussed with provider and form was up to date before inspection was completed

Domain: 08 Staff Files

Rule: 5180:2-13-07 Staff Records

Requirement: The program is required to maintain a file for each staff member at the program.

Findings: During the inspection, it was determined there was an employee's file not maintained on-site as required; however, the documentation required to be maintained on file has been previously assessed as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written

response is not required at this time. - During inspection it was observed that a resident had moved, yet they are still listed in the OPR. Provider is to contact COAD for assistance in removing the listed resident.

Domain: 09 Children's Files

Rule: 5180:2-13-15 Child Enrollment Records

Requirement: The program is required to have a completed DCY 01234 "Child Enrollment and Health Information for Child Care" or equivalent on file on the premises for each child.

Findings: During the inspection, it was determined the child's enrollment form was not complete or updated annually as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time. During inspection it was observed that provider had not signed several of the DCY 1234 forms. It was brought to the providers attention and they were corrected before end of inspection.
